GREEK & CYPRIOT KITCHEN & GRILL

The native cuisine of Cyprus – the historic meeting place of Europe and Asia. The dishes, though predominantly Greek, have Ottoman and Arabic influences, and it is these which give the food its unique blend. All dishes are freshly prepared by Yiayia's. We only use fresh produce. All our meat and fish is sourced fresh directly from Smithfield and Billingsgate markets in London. For the best flavours we only cook on real charcoal.
